

STEPPING UP IN FAITH

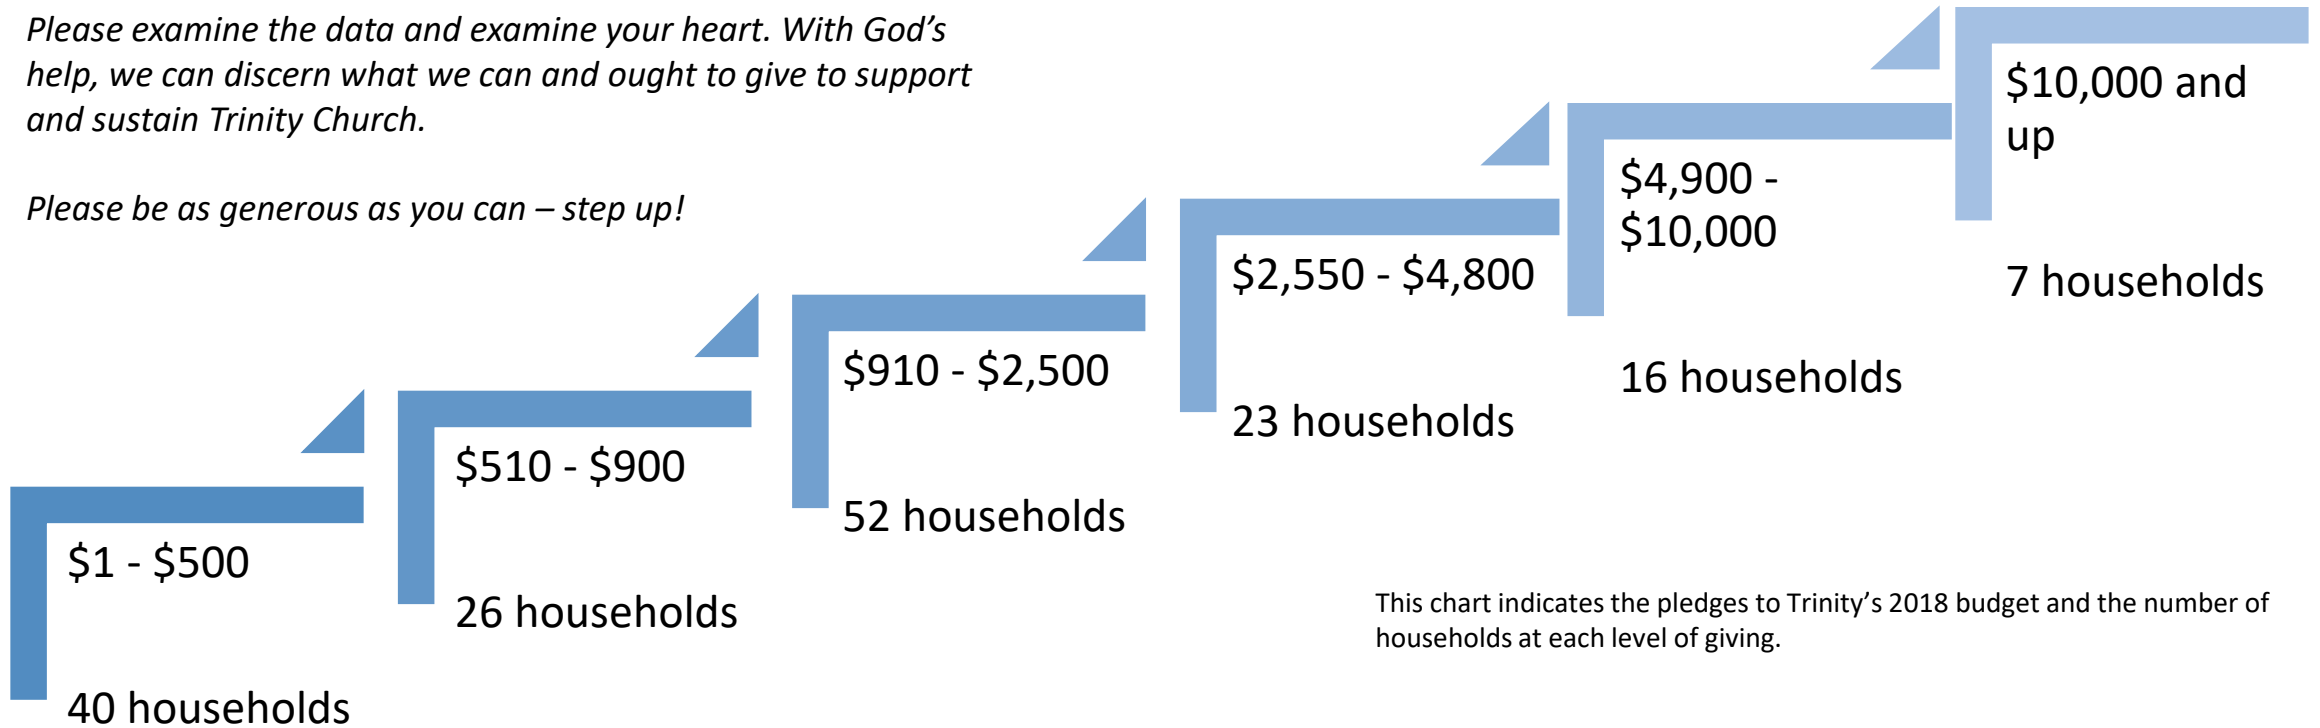

Sharing our blessings

We are all God's stewards for Trinity United Methodist Church

Just as Trinity Church is a blessing in our lives, we are asked to share of our many blessings, in return, in support of the church and its work.

Please examine the data and examine your heart. With God's help, we can discern what we can and ought to give to support and sustain Trinity Church.

Please be as generous as you can – step up!
