

May Art Galley Exhibit

The May exhibit in Trinity's Community Gallery features the photographs of Trinity member Drew Babineau. The photos show his keen eye for the macabre and passion for capturing the darker side of life. He loves to bring the beauty out in places and to tell stories through his photos. The exhibit shows that there is beauty in everything. Where there is darkness, there is light; the trick being to show that there can be a balance between the two.
