Give Me Jesus

Give Me Jesus originated as an African-American spiritual written during the time of slavery in the United States. The lyrics of Give Me Jesus are simple, but poignant. The thought that it was written by people stripped of all dignity and every human possession, says so much about what Jesus is.

The song tells us that no matter where we are in life, no matter what is going on; in the morning, when we’re alone, when we are happy, when we are sad, and when our life is over, we need Jesus by our side.
